Re: School Section (+Building Stone lease)
W1/2 Sec. 32, T. 19 S., R. 18 W.
Millard County, Utah
DOE/027/002

Dear Mr. Gardner:

This is to acknowledge receipt of the Declaration of Exemption for the School Section, building stone lease, as above described. I forwarded a copy to Mr. Jeff Brinton with the Division of State Lands.

In your note you mentioned preparing the Form MR 2 (Mining and Reclamation Plan) for the School Section, are you aware that a reclamation plan is only required if you disturb more than 2 acres of land, or mine more than 500 tons of ore in a 12 month period, otherwise the MR 4 (Declaration of Exemption) is the only form that needs to be filed.

Please keep us informed as to any changes in the status of your operation.

Best Regards,

DIVISION OF OIL, GAS, AND MINING
